WELCOME

Word of Faith Bible Training Center in Round Rock, Texas was established to teach church doctrine and government and to train individuals in the mission field with practical training opportunities. The staff at Word of Faith will share their knowledge and expertise about the major functions within the ministry. These functions include the five-fold ministry, administrative functions, helps ministry, and international and domestic missions. If you believe you have been called in any of these areas, we ask you to prayerfully consider applying to Word of Faith Bible Training Center.

Bishop Keith A. Butler, President
Pastor Deborah L. Butler, Vice-President

Greetings in the Name of Jesus Christ! In Luke 4:1, Jesus was led into the wilderness for a time of study, prayer and preparation. In verse 14, He came out in the power of the Spirit. Preparation time is not lost time. In fact, your success as a minister of the gospel depends on what you do in your time at the Word of Faith Bible Training Center. You can come out of it in the power of the Spirit also. God is the One who called you to the Bible Training Center and because He has, He will bring you through victoriously!

I want to encourage you during your time at the WOFBTC to get the most out of it that you can. We love you and look forward to working with you and watching what God will do in your life.

Pastor Andre Butler, Vice-President

I am pleased that you are interested in the Word of Faith Bible Training Center. We are confident that WOFBTC can provide the instruction you need to take charge of the ministry or area in which you have been called. We are opening the doors of our school to allow you, as one called of God, to learn and participate in the essential functions of the local church ministry and the mission field. However, it is not only our doors, which we open; we open our hearts as well. We look forward to serving you as you prepare and become equipped to fulfill your call.

Pastor Michelle A. Butler, Vice-President

Our Curriculum

Word of Faith Bible Training Center (WOFBTC) uses a two-year, non-accredited school curriculum designed to prepare and fully equip ministers to go out and preach the gospel. Our curriculum is designed to develop every area that is vital for stability, strength and growth in a ministry. Through the anointed and successful staff at Word of Faith, God has given WOFBTC sound teachers of the Scriptures to impart wisdom into the hearts and lives of our students.

Our training center concept includes educational and practical application opportunities in four basic areas:

PASTORAL

The body of Christ is in need of true pastors and teachers who will give attention to the maturing of the saints (Ephesians 4:11, 12). Our desire is to teach you, from God's Word, the principles of church government, pastoral counseling and care, and the importance of sound doctrine. This will enable you to lead the saints into maturity.

ADMINISTRATIVE

One of the greatest needs within growing churches today is the area of administration. Pastors must be released from this area to give attention to prayer and the ministry of the Word. Using the successful and respected administration of Word of Faith, we will train you in the basic

principles of ministry, finances, organization, leadership, helps and many more practical areas.

MISSIONS

Our desire is to teach students basic principles of operating on the domestic and international mission field. Our practical, "how to" approach will allow students to develop their ministry/mission work in a systematic fashion.

HELPS

Every believer has a job to do in helping to care for God's people. Those in the ministry of helps are supernaturally empowered to assist and help the leadership fulfill the vision God has given them (1 Corinthians 12:28).

If you believe you have a full-time ministry call (Apostle, Prophet, Evangelist, Pastor Teacher, Missions, Helps), then this two-year program is for you.
