### Supplication, Prayers & Intercessions

This course offers a scriptural look at three of the various methods and types of prayer, including prayers of supplication and intercession.

### Authority of the Believer

This course presents a clear picture from the Scriptures of the believer's authority; it defines authority, details the source of that authority, and shows the believer how to walk and live in that authority provided in the redemptive work of Jesus Christ (Luke 10:19).

### Ministry Gifts

This is a study of each ministry gift Jesus gave the Church: Apostle, Prophet, Evangelist, Pastor, and Teacher. We will also cover their function in the Body of Christ and the local church.

### Present Day Ministry of Jesus
